Land Bank Meeting Agenda Item No. 1

Meeting Date:

July 26, 2023

Staff Contact:

Maria Garcia, City Attorney

Topic:

Land Bank Board of Trustees Appointments

Narrative:

The City of Basehor established by ordinance the City Land Bank in March 2021. Land banks in Kansas are governed by a board of trustees, which is to be appointed by the governing body. The law allows the governing body to appoint itself as the board of trustees, as the Basehor City Council has previously done.

K.S.A. 12-5904 requires the land bank board of trustees to select annually a chairperson, vice chairperson and a treasurer. The purpose of this meeting of the Land Bank is to select such appointees.

Staff Recommendation:

Select a chairperson, vice chairperson, and a treasurer
