

City of Basehor Notice

The City of Basehor Planning Commission will be attending virtual training through the Mid-America Regional Council (MARC) available starting 9/1/22 through 12/30/22 on MARC's Government Training Institute (GTI) web portal.

Please note that this is virtual self-paced individual training for the Planning Commissioners and the participants may have opportunity to interact with each other with a discussion board. The GTI training moderator reviews any questions and feedback. There is no specific intent to discuss City business.

This training will offer:

- Planning Commission Roles & Responsibilities,
- Standards for Effective Planning & Zoning Decision Making
- Strategies to Manage Long Term Growth.
